**HOW TO FIND YOUR
LEGISLATIVE DISTRICTS' NUMBERS**

Each voter belongs to three (3) legislative districts:
♦ State Senate ♦ State Assembly ♦ U. S. Congress

By calling your local Registrar of Voters and providing your home address, you can obtain the numbers of your legislative districts. Information on your Assemblymember and/or State Senator is also available at:
<http://www.leginfo.ca.gov/yourleg.html>

Our brochure lists California's elected constitutional officers; the California Congressional delegation, including the two U.S. Senators; the state Assemblymembers; and the state Senators.

The legislators are listed in *alphabetical* order with their district number at the far left. In addition, their district office (local) addresses and phone numbers are included.

It is generally most effective to write or call your representative's district office.
